★★★★★ Office was easy to find, the forms intuitive and easy to fill out, the dental hygienist was friendly and informative, and the dentist was friendly and encouraging. Didn't seem that they were trying to run up the tally just to make a quick buck - no firm insistence that I get my smile fixed, or my teeth whitened, or whatever. No problems or issues whatsoever.

★★★★★ Dr. Calabrese, Thank you for the results of the procedure you did yesterday. you made it as easy as you could for a very nervous lady. you explain everything as you go along and made me less apprehensive and more at ease. The results were very good. both painless and cosmetic. It was difficult and I hope I did not cause you any problems while under the usual stress I bring with me. Thank you , Carol J. Bard
